(1) A horseracing industry participant shall be entitled to reasonable treatment from those licensed to conduct thoroughbred race meets.

(2) Private property belonging to a horseracing industry participant at a racetrack facility shall not unlawfully be converted, seized, damaged, or destroyed by racetrack employees or agents without compensation.

(3) A horseracing industry participant shall not be deemed to forfeit or waive any right to privacy without reasonable cause guaranteed by law by virtue of being licensed by the state, by entry upon licensed horseracing facilities, or by engaging in the sport of horseracing in this state.

(4) A horseracing industry participant may not be excluded from the grounds of any licensed racetrack by track management without a hearing by the stewards at such racetrack unless there are reasonable grounds to believe such participant has committed a felony or is posing a physical danger to himself or herself, to others, or to animals in his or her care or his or her physical presence will bring immediate harm to horseracing. Such hearing shall be held as soon as practicable and shall be given first priority and precedence by the stewards. Nothing in this section shall prevent a horseracing industry participant from knowingly waiving any rights afforded under this subsection.

(7) A horseracing industry participant shall not be required to waive his or her constitutional rights nor the rights granted pursuant to sections 2-1243 to 2-1246 as a condition of pursuing a livelihood in this state or at any licensed thoroughbred horseracing facility.

## **ATTENTION HORSEMEN**

Prior to entry to Horsemen's Park, **a current Health Certificate (issued within 30 days of arrival) is required.** All horses entering the grounds must have been vaccinated with an FDA approved virus vaccine for EHV-1 not less than **14 days and not more than 120 days prior to date of entry to Horsemen's Park.** It is highly recommended horsemen keep every horse that is admitted to Horsemen's Park on a 90 day booster schedule. All out of state horses must have a negative Coggins test.

Horsemen's Park Reserves the Right to Approve Stalls for All Horses.

**IN THE ALLOTMENT OF STALL SPACE, THE NOMINATION TO ANY STAKE (INCLUDING NEBRASKA BRED STAKES) WILL NOT GUARANTEE THE GRANTING OF STALLS ON THE GROUNDS.**

---

---

## ENTRY RULES

1. Racing Office will open for entries at 8:00 a.m. Entries close at 10:30 a.m.
2. Horse registration papers with a current health certificate must be on file in the racing secretary's office to receive an entry date.
3. When a person makes a coupled entry, the entry with the better date will be preferred in an overnight race. If they have the same date, the trainer must make first and second choice. Two horses having a common tie through ownership cannot start to the exclusion of a single interest (excluding stakes races). However, a second choice has preference over an in-today horse.
4. A blinker change must be approved by the starter and reported at time of entry.
5. In all races, winners are preferred except where the conditions of the race state otherwise. Maidens entering in winner's race must declare at time of entry that the horse is a maiden.
6. Owners and Trainers must be careful to claim allowances and preference date at time of entry. This is the sole responsibility of the person making the entry.
7. Horses not entitled to the first allowance in a race are not entitled to the third and, if not to the third, then to any subsequent allowances.
8. All entries made by licensed jockey agents on behalf of trainers or owners should be made not later than 9:30 a.m.
9. All entry blanks must be signed by the person making the entry and/or by the racing office employee or racing official filling out the entry.
10. Effective January 1, 2020, all thoroughbred horses that have not been lip tattooed will need to be TRPB digitally tattooed to confirm the identity of the horse and have updated digital photographs available for the race day identification.

## HORSEMEN'S PARK 2026 PREFERENCE SYSTEM

1. Preference dates will not supersede conditions of a race. (Winners preferred, high weights preferred, etc.)
2. Horses will not be eligible to receive a date until their papers are on file in the Racing Office with current health and EHV-1 papers.
3. Papers must be registered prior to the first day of entries for a zero date, which is the lowest possible date.
4. All horses registering after 4:00 p.m. Monday, June 22nd will receive an R date of the day registered.
5. A zero takes preference over a running date.
6. Horses that run will receive a running date corresponding to the date they race and lose all dates previously held.
7. Horses which scratch or are scratched will keep their R date for the day the race ran.
8. All horses placed on the Stewards, Veterinarian or Starters lists will be posted on the bulletin board. They will not be permitted to start until they have been approved to start. Horses placed on these lists will keep their dates if they ran in the particular race in which they made the list. Horses which are scratched will be given a date for the day the horse comes off the list.
9. Horses which have established a date at the current meeting will lose that preference date should their papers be withdrawn from the Racing Office or demonstrate intent to race elsewhere. Should a horse's papers be withdrawn from the Racing Office for just cause, (i.e., tattoo, corrections, change of ownership or clarification etc.) the Racing Secretary may determine the status of the preference date established.
10. Preference dates are good at any distance.
11. In no way does the claiming, ownership transfer or trainer transfer of a horse affect the preference date.
12. In rules four and eight above, if a horse is registered or comes off a list on a non-racing day, the next racing day will be used.
13. Any horses running in a handicap or stake will retain previously held preference date.

In overnight races, horses with no papers in office are least preferred.

When a horse's name appears in a race other than a Sweepstakes and is entered for the following day, such entry will be given no consideration should the race in which it is entered be overfilled. A list of the dates will be posted each day and mistakes must be reported by the owner or trainer prior to the closing of the Racing Office on the day posted.

TRAINERS ARE RESPONSIBLE FOR DATES.

## TRACK RULES

Any person on horseback on facility grounds shall wear protective helmet and safety vest. Ponying will not be allowed on the Main Track. The Training Track will be used for ponying of horses.

## **Workers' Compensation**

Regarding Nebraska Workers' Compensation Law and Horsemen's Park Park's 2026 race meeting. When you register foal papers in the racing office for the first time, you will be required to state either:

a) That you have at least one employee (at which time you will provide a certificate of Workers' Compensation Insurance for us to keep on file)
